LETTER RE: CERTIFICATE OF CORRECTION
SUBMITTED UNDER 37 CFR §1.323

Certificate of Correction Branch
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Patentees submit herewith a Form PTO/SB/44 to correct the name of the third named inventor of the above-identified U. S. Patent.

On the cover page of the Patent, at item (75) "Inventors", the name of the third named inventor, "Thomas Anders Wilson Ericsson", should be corrected to read: "Thomas Anders Wilson Norin."

JAN 30 2007

U. S. Patent No. 7,153,997 B2
Issue Date: December 26, 2006

By Notice of Recordation of Assignment Document dated December 4, 2006, the USPTO notified Patentees that inventor Norin's name had been corrected in the Assignment at Reel **018579, Frame 0678.**

Additionally, a minor mistake of a clerical or typographical nature in the above-identified U.S. Patent is noted in the second line of claim 7 at column 39 of the Patent. The last word in column 39, "is", should be deleted from the second line of claim 7. The second and third lines of claim 7 will then correctly read as follows:

"said additional therapeutic agent is an anti-obesity agent
selected from the group consisting of an aP2 inhibitor, a".

Patentees submit that the above-noted name correction and minor typographical error occurred in good faith, and that the proposed corrections do not involve changes in the above-identified patent as would constitute new matter or would require re-examination. Accordingly, Patentees respectfully request that a Certificate of Correction be issued.

The \$100 Certificate of Correction Fee, as required under 37 CFR §1.20(a), as well as any other charges associated with this request, may be charged to Deposit Account 23-1665. Two copies of this request are enclosed.
